Upcoming Events

Investigations in the Classroom

September 1: No School
Labor Day Holiday

Reading: Independent Reading Strategies

We will be working on what independent reading looks like, using our inner voice, and making think marks as we read.

Writing: Brainstorming

We will create a Best/Worst list to help us brainstorm writing topics. We will also create a Memory Map to help.

Math: Investigation 1.5 and 1.6

Using arrays to multiply
Multiplicative Comparisons

Science/Social Studies: Alabama History

Animal Study

A study of Alabama landforms and symbols
A study of animals and their habitats

Website Sleuths

No recommended websites yet.

From The Teacher:

We have had a great first week of school! I have enjoyed getting to know your students. Laptops have been distributed, though students are not allowed to take them home yet. We have familiarized ourselves with the MacBook and how it works.

Weekly Words

We will not have any spelling words this week. We will be studying the dictionary and alphabetizing.
