Upcoming Events

Investigations September 1- NO SCHOOL in the Classroom

Reading: Reading Workshop Prep
Students will continue to use their inner voice and think marks to guide their reading. They will work in groups and partners to prepare for Reading Workshop

Writing: Bio Poem
Students will continue to brainstorm ideas for their Bio Poem. Once they have reached their "sweet spot" they will begin revisions.

Math: Unit 1 Investigation 2
Students will use quick images and multiplication combinations to solve equations they are fluent and non-fluent.

Website Sleuths

**CHECK OUT XTRAMATH.ORG
AND SUMDOG.COM FOR MATH
PRACTICE!!**

From The Teacher:

We have had another wonderful week! Homework will come home next week. Please check your student's agenda nightly for any homework. I am working on getting a class website up and running. Thanks to my parent volunteer for this help!!! If you would like to come and help around our class, Fridays work the best. I am working on getting a rotation going so all who would like to be involved can be!

Weekly Words

Spelling will look different this year as we incorporate the Spelling Scholar program into the curriculum. Each student will only have 5 words they will be working on, plus a concept skill.

THIS WEEK'S SKILL: CONTRACTIONS
